Homer Township Driveway Apron Application for Permit

Responsibility:

If this permitted is granted, I/we agree to comply with all the conditions, restrictions and regulations of the Homer Township Road Department. If this permit is granted I/we hereby agree to construct that part of the driveway within the road right-of-way (apron) at an approved profile as shown on the Medina County Highway Engineer's Driveway Detail Sheet, as required by the Medina County Commissioners'

Highway Use Manual, and under any additional requirements of the Homer Township Trustees. I/we also agree to refrain from constructing curbs or headwalls in the shoulder area that could create hazards or hamper maintenance operations such as snow plowing.

I/we also agree that when in the course of construction of the proposed driveway, workmen or vehicles are required to be on the pavement or shoulder, that I/we will provide and maintain lights, sign, barricades, flagmen, and/or watchmen for the protection of the public and the workman in accordance with the Ohio Manual of Uniform Traffic Control Devices for Streets and Highways, Part 7, Construction and Maintenance Operations.

As the party ultimately responsible for the above project, I agree to and understand that I may be charged a permit fee, a review fee, and additional inspection fees in regard to this permit application when issued. I also agree that I am responsible for the costs incurred for the replacement of pipe and other materials, as well as the removal of any obstructions or blockages. I/we agree that the above information is correct as submitted, and hereby authorize access to inspectors from the Homer Township Road Department for purposes of inspections as required.
